The Village of Webster comes alive with the sights and sounds of the Holidays as the Webster Volunteer Fire Department Inc. in conjunction with the Webster Business Improvement District present its annual gift to the community, the Holiday Parade of Lights. Emergency response agencies from Monroe, Wayne and Ontario counties as well as community businesses participate in this colorful event and we are asking your department, organization or business to join us as we begin planning for this year's parade.

Groups which participate are asked to decorate pieces of apparatus in the holiday spirit. Last years parade offered fire engines, aerials, rescue units, ambulance, marine, antique apparatus as well as business and community floats.
