## Media Release

**March 25th, 2026**  
**Structure Fire**  
**500 Block, Holt Road**  
**Webster, NY 14580**

On March 25<sup>th</sup> 2026, at 2024 hours, the Webster Fire Department responded to the 500 block of Holt Road for the report of a structure fire.

Upon arrival, crews encountered an active fire in the attic and second floor of a single-family residence. Firefighters experienced difficult interior conditions, which initially hampered access to the seat of the fire. Despite these challenges, crews contained the fire to the second floor and attic.

The fire was brought under control at approximately 2107 hours. Fire personnel remained on scene until 2348 hours conducting overhaul operations and ensuring the structure was safe.

The Webster Fire Department would like to extend its appreciation to our mutual aid partners, including the Lincoln Fire Department, West Webster Fire Department, Webster Police Department and Penfield Webster EMS, for their assistance at the scene. We also thank the Ontario Fire Department and Penfield Fire Department for providing coverage to our district during the incident.

Two firefighters were treated for minor injuries.

The cause of the fire remains under investigation by the Monroe County Fire Bureau.
